PEPPER CHOPLIN

Pepper Choplin earned his Bachelor of Music degree at the University of North Carolina at Greensboro and Master of Music degree in composition at Southwestern Baptist Theological Seminary in Fort Worth, Texas.

He currently has over two hundred anthems in addition to six choral musicals. His musical experiences range from church musician to theme park entertainer. He has performed musical styles from rock to classical to bluegrass.

Pepper leads events throughout the country as composer, clinician, conductor and entertainer. Audiences respond with laughter and with tears as he conducts and sings his unique mix of inspirational and humorous music in churches and conferences.

Pepper has several CDs to his credit including his self produced, *Pepper Is My Real Name*, which features his humorous songs. His recording, *Hold On*, is a solo album of his most popular inspirational songs.

Much of Pepper's creative energy goes into planning creative and vibrant worship for Greystone Baptist Church in Raleigh, NC where he is Minister of Music. Many of his anthems are born out of a need at his own church. Pepper's chief desire is "to create music that will lead people to worship in a dramatic way."

*"There is something wonderful in music.
Words are wonderful enough; but music is even more wonderful.
It speaks not to our thoughts as words do;
it speaks straight to our hearts and spirits,
to the very core and root of our souls.
Music soothes us, stirs us up; it puts noble feelings in us;
it melts us to tears, we know not how;
it is a language by itself, just as perfect,
in its way, as speech, as words; just as divine, just as blessed..."*
Charles Kingsley, 19th century
