

Hello!

On April 21st 2011, I will be participating in the **ACF Run for Music**. Run For Music is a unique fundraising and advocacy event in support of choirs and choral music. By taking part, I will raise funds both for my choir as well as for Alberta Choral Federation programs including Choralfest, the Alberta Honour Choirs, and the Alberta Choral Workshop Series.

I am hoping that you will support my choir and the Alberta Choral Federation by sponsoring my participation in this event. The pledging process is quick and easy – clicking on the link below will take you directly to the Giving page on the Running Room's website (a partner of Run For Music). Select "Sponsor an Athlete" (located just above the Run For Music logo) where you will be able to search for my name and securely donate the amount of your choice directly to me! Donations above \$40 will be eligible for a tax receipt of 50% of the pledged amount.

As you know, being in a choir is very important to me. In addition to the opportunity to sing, I have been exposed to different languages, learned about cultures from around the world, and made many wonderful friends. For these reasons, I am really excited about taking part in Run For Music and sincerely appreciate any support you can offer.

Thank you!
